New Senator From Maine

CHARLES F. JOHNSON, Who has been chosen to succeed Senutor Hale.

Winsion-Salem, N. C., January 13.—
Mock Morgan, a former merchant of Richfield, Stanly county, charged with embezzling several thousand dollars from eight guano companies, was arrested early this morning near Albemarle by the sheriff of Stanly county, and bond has been fixed in the sum of \$10,000. It is alleged that Morgan represented eight guano companies at Richfield, and that last summer and fall he purchased sixty-one carloads of fertilizer, worth about \$15,000. He is said to have sold all of this fertilizer for cash, except \$1,000 worth, which his books show was sold on time. Out of the amount realized from the sale of the fertilizer, it is said that he paid the guano companies only about \$600 or \$700. A few days ago a bench warrant was issued by Judge Boyd, of the United States court, and it was placed in the hands of a marshal. Morgan had been hiding since December 4.

The fertilizer companies had filed a petition in bankruptcy, There have been two hearings before a referee in bankruptcy, and at the last one here, this week, a motion was made for the rule on Morgan's wife and his brothers, who had testified in the first hearing, for contempt of court. The rule is returnable next week.

[Special to The Times-Dispatch.] Blacksburg, Va., January 13.—Gover Blacksburg, Va., January 13.—Governor Mann and 500 representative farmers of Virginia were guests of the V. P. I. to-day. The cadet corps, in full dress uniform, with its band, met the special train on its arrival here at 10:30 o'clock and escorted the Governor to the auditorium, a salute of cannon being fired as his carriage entered the grounds.

After a brief address of welcome by President Barringer the visitors were shown over the farm buildings and other departments of the college by students and members of the faculty. There were several short lectures and demonstrations of clinic work, and at 1 o'clock the cadets gave a dress

[Special to The Times-Disputch.] Wadesboro, N. C., January 13 .- The learing of a charge of assault brought against one of the rival clans of gipsies encamped near here brought out a story of peculiarly startling possibilities, and caused more impassioned legal oratory to-day than any trial before a magistrate in many a day. ATTEMPTED TO WRECK TRAIN.

White Boy Confesses to Charge of Try ing to Derail N. & W. Cars. [Special to The Times-Dispatch.] Roanoke, Va., January 13 .- Howa lickle, a white boy, was arrested at Welch, W. Va., this afternoon, and confessed his guilt of making an attempt

to wreck passenger train No. 3, on the

night, when he placed a knuckle on the

track on a sharp curve on the bank of the river just east of Welch. Two men walking along the track discovered the obstruction on the track and reported it to the station agent,

who had it removed and prevented a disastrous wreck.

Tickle was arrested by A. R. Pittman, of a detective agency. The report on the case does not give what reason the boy assigned for placing the iron on the track.
